

CALL FOR PAPERS

THE SECOND INTERNATIONAL SCIENTIFIC-PRACTICAL CONFERENCE «MEDIA LITERACY AND MEDIA EDUCATION: DIGITAL MEDIA FOR FUTURE»

Deadline for abstract submission: 15 September 2015

26-28 November 2015

Moscow, 2/8 Khitrovsky Pereulok, Building 5

Dear colleagues!

We invite you to take part in the «THE SECOND INTERNATIONAL SCIENTIFIC-PRACTICAL CONFERENCE «MEDIA LITERACY AND MEDIA EDUCATION: DIGITAL MEDIA FOR THE FUTURE», which will take place in Moscow on 26-28 November 2015.

The Conference is organized by the School of Media (National Research University “Higher School of Economics”).

In March 2014 the First Conference on this topic was organized and held with great success and attracted a large number of Russian and foreign participants from the USA, France, Brazil, India, Poland, Armenia, Ukraine.

The School of Media – is the successor of the Faculty of Media Communications (National Research University “Higher School of Economics”), where, for the first time in Russia, the News Literacy Course for undergraduate students was created. The School of Media continues to develop the field of Media education and holds courses for non-media students and international conferences.

The field of Media Literacy is positioned at the crossroad of many academic disciplines and it has multidisciplinary characteristics. Media Literacy, as a part of the media ecosystem and education, and News Literacy (a new concept for Russia and the direction of education) support the development of audience "critical thinking" and "critical autonomy". Media Ecology is joining these concepts by a scientific approach to studying media and media education in XXI century. The conference in Moscow bring together scholars and educators engaged in research from various fields of Media and Education, as well as media professionals (who work with educational content), to discuss new trends in Media Literacy.

The main sections of the conference (preliminarily):

- News Literacy
- Media Ecology of modern information space
- Education and Media
- Arts and Media
- Technologies and Media

Working languages: Russian and English
